Customer Policy and Service Guide

1. Warranty Policy

All new vehicles purchased from Al-Shikoz Motors come with a comprehensive 3-year or 100,000 km manufacturer warranty, whichever comes first. The warranty covers all mechanical and electrical defects that arise under normal usage conditions. Engine, transmission, and drivetrain components are covered for the full warranty period. Bodywork and paint defects are covered for 2 years from the date of purchase. Warranty claims must be submitted within 30 days of discovering the defect. The warranty is void if the vehicle has been modified, misused, or serviced by an unauthorized workshop. To activate your warranty, you must register your vehicle at our service center within 30 days of purchase.

2. Test Drive Policy

Al-Shikoz Motors offers free test drives for all available models in our showroom. Test drives are available Saturday through Thursday, from 10:00 AM to 6:00 PM. Customers must present a valid driving license before taking any vehicle for a test drive. Test drives are limited to 30 minutes per vehicle per customer visit. The test drive route is predetermined and must not be altered without staff approval. Any damage occurring during a test drive is the full responsibility of the customer. Customers are required to book test drives in advance through our sales agent or by calling our hotline. A maximum of two test drives per customer visit is allowed.

3. Payment and Financing Policy

Al-Shikoz Motors accepts the following payment methods: cash, bank transfer, and certified bank checks. We do not accept personal checks or foreign currency payments at our showroom. Installment plans are available in partnership with Cairo Bank and Misr Bank. Financing is available for periods of 12, 24, 36, or 60 months. A minimum down payment of 20% of the vehicle price is required for all installment plans. Interest rates for financing start at 18% per annum and vary based on customer credit history and loan duration. All financing applications are subject to bank approval and may take 3 to 5 business days. A non-refundable reservation fee of 5,000 EGP is required to hold a vehicle while financing is being processed.

4. Return and Exchange Policy

Vehicles may be returned within 7 days of purchase if they have a verified manufacturing defect confirmed by our technical team. Returns are not accepted for vehicles that have been driven more than 500 km after purchase. Cosmetic preferences or change of mind are not valid reasons for return or exchange. In case of an approved return, the customer will receive a full refund within 14 business days via the original payment method. Vehicle exchanges are permitted within 30 days of purchase subject to availability and price difference payment. All accessories and documents provided at the time of purchase must be returned with the vehicle.

5. After-Sales Service Policy

Al-Shikoz Motors operates an authorized service center located at our main branch. Scheduled maintenance services are available for all brands we sell. The first service is free of charge for all new vehicle purchases and must be completed within 6 months or 5,000 km. Customers are advised to book service appointments at least 3 days in advance. Our service center is open Saturday through Thursday from 8:00 AM to 5:00 PM. Emergency roadside assistance is available 24 hours a day, 7 days a week for vehicles under warranty. Genuine spare parts are available at our service center and carry a 1-year warranty.
